

When the going gets **HOT!!!** Will your lift trucks keep going?

To be certain, let Infiniti Handling Systems
SUMMER-IZE your Lift trucks.

When the weather gets cold, work becomes harder for everyone. And that includes your lift truck. Now is the ideal time to guard against expensive unscheduled downtime caused by lift truck "HEAT stroke", with IHS Lift's "Summer-izing Special." Included in this special offer is every planned maintenance item designed to make your lift truck operate more productively AND THEN SOME.

- Steam Clean
- Drain & Flush Cooling System
- Advise on radiator hoses and fan belt
- Oil change with filter
- Lubricate unit
- Check all fluid levels
- Replace air filter
- Complete check of safety items

*Fluids, parts & labor included on most makes & models

\$495.00 plus tax
Includes pick-up & delivery
